**GOLDEN GIRL MOVES ON...**

It is with sadness that we say goodbye to one of our Monday morning "Golden Girl" volunteers. Joann Woerner transitioned from this life on January 21<sup>st</sup>. She had volunteered faithfully for KARE since it opened in 2005, and was happy to do any task that she was asked to help with. She loved the Nursery, and all her fellow volunteers, and her sense of humor and commentaries on life will be truly missed.

#### SANTA'S CHRISTMAS SHOPPE

We would like to thank Sierra Presbyterian Church and all the wonderful volunteers and donors who helped with the Christmas Shoppe on December 12<sup>th</sup>. Over 1000 gifts were purchased by young shoppers for giving to their families, friends, and furry pets. Santa regrets that he didn't load his sleigh quite full enough to accommodate everyone, but promises that next year he will arrive with plenty of items and more good cheer! This event is heart-warming for everyone involved.

KARE Crisis Nursery Inc.

Greetings Friends!

As you can see by the chart, the past 3 years have shown a continued escalation in need for the services the KARE Crisis Nursery provides, last year nearly doubling! We are so thankful to be here and be able to continue to care for our precious little ones and their families. While there are great needs in our community, there are also many success stories. In 2015, we provided care for 466 children from 329 families and saw 14 families reunited in our Supervised Visitation program. Just being able to see the peace and joy in our children's eyes makes it all worth it. We thank you from the bottom of our hearts for your support!

Warmly,  
Lynn
