

♥ **Be a KARE Partner!** ♥

KARE Crisis Nursery is a non-profit community-based organization that provides a safe and nurturing environment for children birth to age 6 whose families are in crisis. While we actively pursue funding through grants and gifts, we depend largely on support from you, the community, as donors and volunteers.

**Would you consider being a KARE Partner?**

The KARE Partners Program allows you and/or your business or group to pledge a set monthly amount. These monthly donations from KARE Partners are critical because they provide a reliable base for meeting our monthly expenses. Your financial partnership will help KARE continue to offer young children a place of refuge and respite.
